## CAPABILITY STATEMENT

Kebros and Associates LLC. dba SmartCare Home Health Services was created to serve home health needs of communities in the states of Maryland and Virginia. In June 2011, SmartCare Government Group was formed to provide staffing solutions to government and non-government entities. As a full-service healthcare company, Kebros do have extensive experience providing Medical Staffing and Home Health solution to communities nationwide. As a Minority Owned Small Business with SBA 8(a) and EDWOSB certification, SmartCare is committed to excellence and creating innovative and flexible solutions for governmental and commercial clients.

## Kebros & Associates LLC. dba. SmartCare Government Group

What sets SmartCare apart from the competition?

- ✓ Our dedicated Employees
- ✓ Performance Based Processes
- ✓ Integrated Solutions (No one size fits all)
- ✓ Client Relationship Management
- ✓ Quality assurance Process

SmartCare Government Group (SmartCare) is dedicated to delivering quality staffing services to medical facilities and organizations nationwide. SmartCare assists its clients with the full spectrum of healthcare staffing needs. Backed by a nationwide network of human resources experts, SmartCare offers the resources to provide experienced personnel across various medical specialties.

SmartCare's commitment to quality has helped drive the organization's success in recruitment, retention, and customer satisfaction. SmartCare goal is to consistently improve services and provide customers with value through commitments to:

**Employee/Client Matching:** SmartCare strives to offer clients access to qualified and experienced staff. Detailed screening and credentialing processes, routine evaluations, and on-going clinical training enable SmartCare to identify employees that are equipped to meet the demands of the ever-changing healthcare industry.

**Quality Improvement:** Consistent review of policies, processes, and procedures enables SmartCare to continuously streamline services provided, while working to monitor and improve employee performance.

**Healthcare Technology:** Investment in healthcare technology allows SmartCare to enhance efficiency in operations, recruitment, and employee training.

**Best Value:** SmartCare remains a customer-focused company through a team-building culture by maintaining effective communication with our customers and staff.
